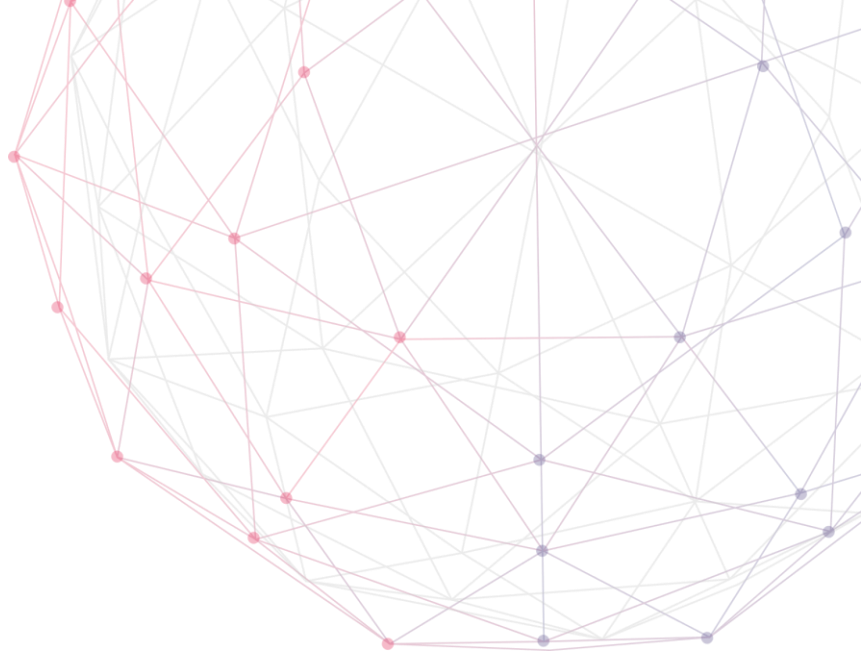
Provider Management System

adam

Hello



we are adam – enabling individual wellbeing

Our Human Touch Technology ™ service connects individuals (and their advocates) - with professionals and a dynamic supply network to enable improved individual wellbeing

adam

Why Enrol?

- One communication channel for engaging with the CCG
- Contract and Quality Performance reviews for regular feedback and support, allowing for better collaborative working.
- Simplification of internal processes, allowing for more time for delivering care services.

Onboarding

Registration

Accreditation

Enrolment

You register your business on the system and create your administrative user

Confirmation of information such as your company registration number and trading status

Confirm what services you are registered to provide and what CCG/district you are in

adam

Next Steps

- Register now by visiting Sproc.Net.
